In times of Ideological Subversion, Propaganda, PSYOPS, TPTS, and Brainwashing, we have Six Companies that are all Jewish called GE, VIACOM, Time Warner, CBS, Newscorp, Disney ... We must undo the Brainwash and Leave the Other Zionist Jews which are Google, Apple, Canonical, Microsoft, Oracle, Sun Microsystems, Blackberry, Symbian ...

Ubuntu/Kubuntu is Canonical and has Systemd with XCB, as Bad Goyim we also see flaws in Slackware, Debian, Arch, Redhad, Solaris, FreeBSD, OpenBSD, NetBSD, Minix, Ubuntu, Kubuntu, Manjaro and the rest of them were all sabotaged by both Systemd / XCB ... The Solution is to DuckDuckGo/Yandex Search for Gentoo and use that instead ... Gentoo is the only Volatile Linux Distro that has a Shelf Life of Decade after Decade ... We cannot rely on a Fork of any Operating System as it is also Jew infiltrated ...

See this shit for what it is, get a Brave Appimage File and Go With it ... The Jews Control Everything, The Processor, The BIOS, The Fucking Computer, Your Food, Your Drink ...

There are only a Few Small Solutions to Ideological Subversion, Coercive Persuasion, and "The Brainwash" these Cancerous Zionists and Jewish Supremacists must be Defeated

... Jewish Supremacists have a Formed a Racist Globalist Elite that is above us and have their own Matzo Ball based Jew Only Country Clubs and they have more than Six
